# ABOUT WHO WE ARE

**TITANIUM GATEWAY** is a global stockholder and supplier of titanium and special alloys. Our stock range consists of semi finished products such as bars, sheets and plates – and we offer band saw cutting and water jet cutting.

**TITANIUM GATEWAY** is offering the highest level of customer and employee satisfaction – through excellent and quick personal service, great quality on material, documentation, packing and timing.

001

# WHY WE STARTED

## **A 2<sup>nd</sup> SOURCE**

We wanted to offer the customers  
a great option. We saw  
that there were room in the market for a  
new customer oriented supplier.

## **MORE THAN TITANIUM**

Please ask us next time – we think you will  
be surprised!
